

GeoLab: Sussex Rocks!

Brighton Museum

Event Details

- **Start:** 14 October 2017 at 9:30 am
- **End:** 14 October 2017 at 4:30 pm
- **Categories:** [Events](#)

The Brighton & Hove Geological Society invites you to a day-long exploration of rocks, minerals and fossils. Aimed at the absolute beginner, *Sussex Rocks* is part of *UK Earth Science Week 2017*, hosted by the Geological Society of London. Meet local experts and get hands-on with specimens from the collections of the Booth Museum of Natural History. By the end of the day you will be a geologist!

Sponsored by the Geologists' Association

Admission

£15, book in advance. 16+

You can buy tickets by telephoning the Events Booking line on 03000 290902 (Mon-Fri), or in person at any of our venues. You can also email [visitor.services@brighton-](mailto:visitor.services@brighton-hove.gov.uk)

[hove.gov.uk](mailto:visitor.services@brighton-hove.gov.uk) if you have any queries. A £1.50 booking fee may apply to some events. Tickets cannot be reserved without payment. Please book early as an event may be cancelled if too few tickets have been sold.
