

GeoWeek 2020

Active Geoscience 9-17 May

Lewes Building Stone Walk

Sunday 10th May 11am

Roger Cordiner will guide us on a 1-hour walk around Lewes Priory and the streets of Lewes to look at the use of building stones in this historic town of Sussex.

£3 per adult, children free

Meet in Priory Car Park, Mountfield Road,
Lewes, BN7 2XD

Understanding Fossils

Saturday 16th May 4pm

Ken Brooks will give an illustrated talk on what we can learn from fossils about our local geology. There will be time after the talk to look at fossil specimens and ask questions.

£3 per adult, children free

Linklater Pavilion, Lewes Railway Land Reserve,
Railway Lane, Lewes, BN7 2FG
